“ In 2004/2005 I was an exchange student from Germany and lived with Madelyn. 2004 was a hard time because she lost her grandson but she gave me a home and took very good care of me.
I wish I had traveled to Minnesota earlier to meet her again.
Rest in peace Madelyn

“ Madelyn and Uncle Jim were so much fun, I remember visiting them several times at their farm in Wright. I loved my visits there and being with all my cousins. My deepest sympathy to their family. Love from cousin Julie Larson (Wood)

“ Madelyn and I worked together through Carlton County Public Health. She was one of the best home health aides - she had a gift of caring and compassion that was unmatched. In her retirement, she also joined our Prairie Lake Book Club and was so well-read she made discussions so interesting. She will be sorely missed although her example of Christian love will carry on.

“ Madelyn was a caregiver to my parents Gary and Virginia Bartness in their last years. All our family loved her. A truly kind and gracious woman. We all hoped that when the time arose we could have Madelyn care for us. She was the one we knew would make us feel safe and happy. But now, she has gone before us. What a wonderful lady. So glad we had a chance to know her and spend time with her. Ginny and Tom Gelineau and family

“ Madelyn - what can I say except that this world has one less angel in it! Had the pleasure of becoming a friend to Madelyn a few years back. She was such a joy to be around. Will miss her infectious laugh, her sweet smile, her amazing sense of style, her love of all kinds of games and most of all I will miss her friendship! My dear friend I know you are up in heaven now with all those you have loved and missed dearly. We will never forget you and thank you for being a part of my life!
