“ To all the family and friends of Mary, I am so saddened by her untimely death. I met Mary through the AGE to age group at the meetings with the Northland Foundation ladies and she was just so vibrant and such an inspiration to everyone around her.

Keep up the good work she was involved with in Floodwood and when you sometimes feel defeated, just put her smile and her determination in your mind and know she is guiding you to be the most positive you can be and your work will shine..

I just loved working with her and sharing our thoughts and she will be sadly missed by so many. Rita Baresh-Moose Lake.

“ We, at the Northland Foundation, were sad to hear of Mary's passing. We had the privilege of knowing Mary through the Floodwood AGE to age Program. During our AGE to age meetings, Mary shared her deep commitment to helping connect older adults and young people to build friendships and community.

Mary was always so positive and sincere - she entered the room with a warm and friendly smile, which made everyone feel so good. We will always remember Mary for her warmth, enthusiasm, and leadership. She was a very special person, and we were honored to work with her over the years.

With Caring Thoughts and Sincere Sympathy to Mary's Family~

“ Mary was someone that I admired very much. I worked with her at the Floodwood DAC when she was first hired. I can honestly say that she never had a bad thing to say about anyone! She always found the good in others. Mary was kind, considerate, forgiving, reliable, dependable, and a dear friend to so many people. All those who knew Mary, loved Mary. I've told Mary that I wish I was more like her. Even with all the trials and tribulations she endured over her lifetime, she kept a positive outlook. She was an amazing woman. She will be greatly missed by all those who knew her. My thoughts and prayers are with her family during this sad time. May all their wonderful memories bring them comfort in the days, weeks, months, and years ahead. Rest in God's eternal peace Mary.
